NATIONAL FIRE ACADEMY OFF-CAMPUS COURSE

***Leadership in Supervision: Creating
Environments for Professional Growth***

September 23-24, 2021

This two-day course presents the supervisory with the basic leadership skills and tools needed to perform effectively in the fire service environment. The course includes concepts related to a successful transition to supervisory and leadership roles, including concepts of adaptive leadership; change management; active followership; effective communication, including difficult conversations and advocacy-inquiry based dialogue; ethics; authority; power; decision-making; and active engagement through development of a personal plan.

The primary target audience for this course is those individuals who are at the first line level of supervision; Company Officer or Unit (fire prevention, fire education, communications, EMS, etc.) supervisor level.

The secondary target audiences are fire and EMS personnel at the first line management level (Chief Officer or above).
